TRAA Projects

"Hands-on Environmentalism" is what we do
...

This is what sets the TRAA apart from other clubs and organizations. You'll find us right in the water clearing obstructions from streams, measuring returning salmonids & taking scale samples for DNA analysis, education through trout hatchery tours & stream walks, being a voice for the Thames River watershed & its inhabitants and the list goes on.

Salmonid Monitoring Program

Here's an overview of what happened over a few weekends in the Spring of 2012

Upcoming Projects

Rod Building - Your First Time

7:00PM - Mondays, February 18 through March 11, 2019

This will be a series of informal, hands-on sessions that will result in a spinning or fly rod that you have assembled and finished yourself.

This opportunity is open only to current members of the TRAA, WOFGPA and/or FCFFC.

Registration will be closed when 15 paid-up participants have registered, or January 11, 2019, whichever comes first.

An email with further details has been sent out. If you haven't received this email by Wednesday, December 19th, please Contact Us.

Presented by: Thames River Anglers Association with the Western Ontario Fish & Game Protective Ass'n and the Forest City Fly Fishing Club.

The Western Ontario Fish & Game Protective Association clubhouse is at 790 Southdale Road, London Ontario.

Sites of Interest to the 'ConserFishinist'

- Conservation
Carolinian Canada - Carolinian Canada's diverse network advances a strategic 'Big Picture' vision for healthy landscapes and a green future in Canada's deep south.
- Friends of the Thames / Thames River Cleanup - The Friends of the Thames has been organising and promoting the Annual Thames River Cleanup every spring for the past 14 years.Environmentally concerned volunteers, landowners, clubs, organizations and municipalities have come together during Earth week to help clean up portions of the Thames River watershed areas.Check out their Contacts page to find out who or what organization is cleaning up your favourite section of the Thames River.
- Nature London - Nature London undertakes a variety of projects to promote environmental awareness, enhance habitat and protect natural areas. MFN members participate in the Christmas Bird Count, the annual Butterfly Count and other initiatives which encourage the study of local natural history.
- North Shore Steelhead Association - The primary concern of the founding members was the protection and enhancement of the north shore migratory Rainbow Trout (Steelhead) fishery, but their foresight led to the inclusion of all coldwater species in our constitution. This, by default, includes all species that use Lake Superior tributaries in their life cycle.
- Ontario Streams - To promote the protection and rehabilitation of Ontario's rivers and streams through education and community action.
- Ontario Federation of Anglers and Hunters - You may think you know who they are and what they do, but check the site, you may be surprised!
- Trout Unlimited Canada - To conserve, protect and restore Canada's freshwater resources and their watersheds for current and future generations.

TRAA General Meeting

7:00PM - Wednesday, January 9, 2019

We meet at the Western Ontario Fish & Game Protective Association clubhouse at 790 Southdale Road, London Ontario.

Happy New Year!

As part of the new you for 2019 why not start coming out to TRAA General Meetings. That way you're up on the latest details on TRAA news, plans and events.

Also note that with the New Year, it is time to renew your TRAA membership if you haven't already!

As always, guests are always welcome. If you're not a member feel free to drop in and check out what the TRAA is all about.

Contact The TRAA

There's a bunch of ways to get in touch with the TRAA. If you're with a like-minded organization or group looking for more information on the TRAA and its activities or if you're an individual who would like to become involved with the activities undertaken by the TRAA the TRAA would like to hear from you.

Send all those cards and letters (and cheques!) to:
Thames River Anglers Association
2202 Coronation Drive
London, Ontario
N6G 0B9

Email the TRAA at traa@anglers.org

And follow us on [Facebook](#)

MEMBERSHIPS ARE DUE!

YOU GET TO BE A TRAA MEMBER FOR A WHOLE YEAR FOR ONLY \$25.00

Your membership also adds another voice to our efforts in protecting and enhancing aquatic habitats in the London & area community.

Come and talk to us at a TRAA General Meeting

Guests are welcome!

The TRAA meets every second Wednesday of each month. We always try to get the meetings started by 7:00pm so try to be there a few minutes beforehand. The venue is the Western Ontario Fish & Game Protective Association's clubhouse located just east of the Dearness Home on Southdale Road (East), on the North side of Southdale Road. The address is 790 Southdale Road East, London, Ontario.

Note: Every now and then we have "off-site" meetings. For example, the July and August meetings are "fishing meetings" so we won't be at WOFGPA clubhouse. Stay on top of these changes by visiting this Web site often.
